

The Utilities Regulatory Authority (“the URA”) is seeking a “Financial Analyst.”

The URA is seeking to engage an individual to the position of Financial Analyst for a period of one (1) year with the URA. The Financial Analyst role is pivotal in ensuring accurate and timely regulatory information is disseminated to the team. The responsibilities involve collecting and analyzing regulated utilities financial information, auditing and reporting as required. The candidate is to possess excellent skills and experience in working with spreadsheets, creating reports and giving presentations.

This position is procured under the World Bank Financial Management procedure. Its annual fee range is US\$25,000 to US\$28,000.

The candidate must meet the following minimum requirements:

- Bachelor’s degree in Finance, Accounting or Business management;
- At least 3-5 years experience in audit, corporate finance or investment banking;
- Excellent analytical and financial computing and reporting skills;
- Preferred experience in regulation for utility services;
- Excellent IT skills Office suite, Excel (mandatory) and accounting software;
- Excellent presentation and communication (oral/written) skills;
- Fluency in written and spoken English, knowledge of French and Bislama is an advantage

If you are interested in applying, please contact Ms. Belinda Reuben on Tel: +678 23335 or email: breuben@ura.gov.vu to obtain an Expression of Interest (EOI) Form and Scope of Work for this position. Or call in to the URA Office, VNPf Compound in Port Vila to collect these documents.

All Applications must include a signed EOI, a Curriculum Vitae (CV) with appropriate contact information and Referee contacts. Applications must be addressed to Ms. Belinda Reuben, URA Office, PMB 9093, PORT VILA, Vanuatu – in a sealed envelope (if mailed or delivered). For electronic submission, please send to breuben@ura.gov.vu

This position is generously funded by AusAid /World Bank through the Government of Vanuatu, Ministry of Finance and Economic Management.

About the Utilities Regulatory Authority

The URA was set up under the *Utilities Regulatory Authority Act No. 11 of 2007*. The Authority acts independently of the Government and its primary purpose is to increase access to safe, reliable and affordable electricity and water services, and to promote the long-term interests of consumers throughout Vanuatu. In addition, the Authority assists to resolve consumer complaints and disputes and advises the Government on matters related to electricity and water. It also reviews tariffs under the rules of the Concessions Agreements and relevant legislation.

Application deadline: Monday 23rd, June 2014 at noon Vanuatu Time (GMT +11).
